Well, summer is finally here! A lot of things are going on at the Moose Lodge. First I want to thank Past Gov. Steve for his help with the transition. With the boards help we barely missed a step, now on to the future.

The Governor's Corner

There was a great time at the social quarters May 19th as Kryptonite rocked the place, he will be back the 21st of July. Adam gives the crowd a great music set to sing to while bringing out the shy ones. He does more than play music, he really entertains.

Polka Pow Wow went great thanks to the Heritage Society and all the volunteers; they will be back on Sept.17th for Dozynki. We will have a Broasted chicken dinner available Sunday afternoon.

We also have a Moose out in front of the Moose. The new silhouette went up early June and will be dedicated July 22nd at 5PM in an extravaganza. Steve was key in organizing, welding, installing and painting. Thanks goes out to Gary, Steve B, Ron H., Chet R. Mark, Val, Jerry and a little ford tractor. Thanks to the Legion Committee for procuring it! Stop by and check it out!

Riverfront is fast approaching, thanks to all those that attended the planning meeting on the 5th. We have shifts on Sun. and Sat. that need more workers. Call down or stop in and take a shift on the schedule. We also will need helpers packing, setting up, bringing the equipment back and finally on Wed the 5th cleaning and storing.

We need all of your input, so come to our meetings at 7pm the 2nd & 4th Wed. of the month. Bring new ideas & concerns to the attention of the officers. Remember to attend the 5-10 year planning meeting on where you want our Lodge/Chapter to go. The meeting was Monday, if you have additional suggestions come to a meeting and inform us. Be sure to take a ride by Family Center to see our new addition.

Administrator's Letter

This was a rough weather month, the Moose held it's own hopefully everyone else is on the mend. We will be having a lot of tough challenges in the next five years. I heard another lodge failed in northern IL. We had two in our area, three more in the state (and a few are struggling). WE need to plan for the future. Are your children (26 - 50 year old) members? Do you bring your neighbors and friends in to see our social quarters? I know many do, I know some had an experience that could have been better. Have you given the Boards and the staff another chance after making sure we were able to improve? Has it been long enough that the improvements we have done and you just don't know. Did you offer a solution, can you be part of the next few years improvements??

We had a meeting to look at the next 5 - 10 years on Monday the 19th, were you there??? We are all in this together. We need to be together or the Lodge simply won't work forever on it's own.

See you here, Mark - Admin., Club Mgr.
