The Governor's Corner

Well the year went by and as Governor I learned how the Moose Lodge is run and how much it costs just to keep the lodge open. There are sure a lot of rules and regulations to keep up on! We have plenty of work ahead of us. I know I will support the new Governor and board. Please help us out by working a shift or more.

Once again the Beef Fest, Kid's Easter Bunny Breakfast and Easter Buffets went very well, and each were attended by more than last year. Thanks to Mark for coordinating these events! Great meats, great menus and a lot of great help!

Coming events Polka Pow-Wow, Karaoke with Kryptonite April 6th & May 25th. We have so many events we want you to have a great time with. The Vets breakfast, horseshoe tournament, the summer drawing nights and Riverfront are great events to lend a hand. Looking forward we have the Centennial Kick-Off June 23rd, details to follow.

I would like to extend a heartfelt thanks to all that helped me make this last year a great success; we always need new people, sponsors and volunteers!

Have a great spring.

PS, help us have one too! Governor, James Gliniecki

Dear Co-Workers: I would like to take this opportunity to thank all the co-workers of Chapter 311 for all the help and support I was given this past year. I learned a lot about the organization and will never forget it.

We always need to remember why we are WOTM: Mooseheart and Moosehaven.

Bring a friend this Saturday and listen to the Mooseheart boys tell us about their lives because of Moose support. It is truly moving to hear how these kids understand the gift they receive by being cared for by this wonderful order.

The WOTM start out our new year May 1st, sign one more member in the next few weeks, bring them to the WOTM meals on the 11th and 25th. Then remind them to RSVP for the bigger meals like the Mother's Day Breakfast Buffet and all the kids events annually.

It's been a very busy year, and I thank you all. May 2018-19 be the best year ever for everyone.

Fraternally yours, Sally, Senior Regent

A note from Amy and the kitchen:

As we enter into spring, we've had some exciting developments occur with the kitchen. First off, Erik has come back to make his tasty burgers on non-Bingo Tuesdays. I am also looking into the possibility to have Thursdays become an appetizer menu with a featured appetizer for the month (such as poutine, etc.) Let me know your thoughts!

The Moose Family Center has also experienced growth on our Facebook page, which is exciting because it gives a bigger audience when I post food photos as well as when other events are shared.

Our Friday fish fry has been very steady throughout Lent, and I continue to look into new food offerings for the salad bar.

When it comes to the kitchen in general, we continue to try to keep everything neat and organized and are planning to do repairs to the cooler towards the end of April (which I am very excited about).

As always, if you have a question, an opinion, a comment, an idea - please email me at moose1572kitchen@gmail.com.
