The Governor's Corner

Hello All. Hope everyone is enjoying the Summer.

First off would like to thank all our volunteers. GREAT JOB to each and every one of you. Second our Membership Committee has started a new challenge.

The Challenge is for each Lodge and Chapter member to sign at least one new member this year. Would be super if you can sign five new members but the goal is only one. We can do this together if we try. We are calling this "Moose Lodge on a Mission". When this Mission ends on May 1st 2019 there will be an EXTRAVAGANZA for all that have signed a new member. More on this will follow in the next several newsletters.

If you have not had one of our Friday night Fish Fries in a while, come out. Amy is doing a great job with them and the salad bar is wonderful! Check out our Facebook page and see for yourself.

Great Job Riverfont crew. Tom, Friday night group, the small Saturday bunch, Sundays people as well as set and cleanup shifts. Other than terrible weather we did good.

Have a safe remaining summer. See you at the Lodge

Governor, Steve Hodgkins

A note from Amy and the kitchen: Hello everyone!

We've had a fairly busy summer with both steady business along with new staff. Rita has been with us for the past couple of months trained as both a waitress and cook. We also recently hired Amber who has been trained to waitress, is currently training to cook and bartend as well! Say "hi" to them when you see them! With steady staff in place, I've been researching vendors to obtain quality consistent product for our new menu.

I want to point out that I have proposed some price increases for the menu to the house committee to keep going in the direction we need as a club. While price increases are never enjoyed by anyone, including myself, these things are necessary for any establishment to remain in business as well as to keep quality in product and service.

There's also other ideas being entertained such as having a delivery route after dinner service on Fridays for Moose members that are not able to make it to the lodge. I definitely want to hear your opinion on the menu and a proposed change to salad bar availability and price. Thanks for getting us back up in numbers and we will try to continue to make it better for you and your guests; please bring them out with you!

Please reach out to me at moose1572kitchen@gmail.com. Please have patience and understanding as we continue to work hard to make sure this lodge is here another 100 years from now!

Administrator's Letter

Mostly *Thanks!*

I am so glad when people do the unexpected and needed: the way Orly and Kim stepped up to organize the Brewer trip bus loading, the 5 businesses that took faith in a new program and got us going, the way Eric, Jenny and Ted made the logistics on the trip work and the 30 people that made the trip! It really helped get us back out there, I heard we were on the marquee; the only pic was fuzzy unfortunately.

We have a lot of things happening in the next few months to stay in the keeping of community service and getting out there. We will need your help and participation.

New events include: the DSAW in Sept and the Craft Fair October 20th. We have the ongoing veterans programs of King visits and Vets breakfasts. Amy and Lee are working diligently to maintain and improve regular meals, special events, our kitchen and our dining room appeal. We have our long range planning committee working on many other improvements and upgrades.

Thanks to the guys for work on preparing for the water heater upgrade and the cooler relining. Ask a Moose Legionaire a question and you will know what has been done, is being worked on and what is coming down the pike.

It's always a great day to be a Moose.
See you here, Mark - Admin., Club Mgr.
